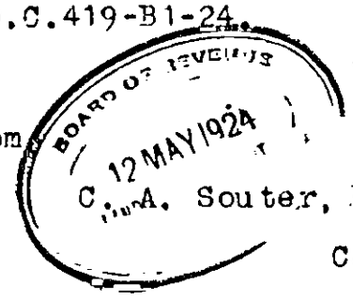
Alienation, Tasdik (Sikaram, Karaikkal TK - Karaikal Taluk No. 32) - Taluk Board - Orders passed

B1826

R.O.C.419-B1-24. South Kanara Collector's Office,
Camp Shiradi, 7th May 1924.



From

C. A. Souter, Esquire, I.C.S.,
Collector of South Kanara.

To

The Secretary to the Board,
Land Revenue & Settlement,
M a d r a s.

Sir,

Religious institution - No.327 Navara Bramha - Karka Taluk - South Kanara District - resumption.

*****

The institution of Navara Bramha has an annual allowance of Rs.8-12-10 payable by assignment of land revenue --- from muli wargs Nos.8 & 9 of Naravi village . It has no -- duly appointed moktessor to receive payment of the allowance and the allowance has, therefore, fallen in arrears. The building of the institution has been in ruins from fasli --- 1323 and no services are being performed in it. The ------ Tahsildar of Karkal issued a notice on 6th November 1919 to the Jain Temple Committee to whose control the institution is subject, asking them to appoint a moktessor to the ------ institution and get it repaired within a year. The ------- Committee made no efforts to comply with this notice. The Sub Collector in charge of the Coondapoor Division, -------- therefore, recommended on 10th April 1922 that the inam ---- might be resumed. He was, however, requested to examine -- the Committee members about the revival of the institution and the services, as required by B.S.O.No.54, para 3. The -- Committee when examined, stated that they wanted time till - 31st December 1922. Although time was granted as desired, nothing has been done about the revival of the institution. Two of the Committee members state that the inam may be ---- resumed. The other member could not be examined. As the institution has been in ruins from fasli 1323 and as the --- Committee members have failed, inspite of the notice, to --- revive the institution, I recommend that the inam appertain-

ing to this institution may be resumed and the amount of Rs.8-12-10 now allowed as a remission for wargs Nos.8 & 9 of Naravi may be ordered to be reimposed.

Res (This) 1189/21-5-24

It is not clear why the Bd sanction is sought in the case. The remission in question is in respect of cash allowance as it has not been claimed for more than six years under para (7) of B.S.O

p. 168 - B.S.O vol I.

It can be struck off the Regr by the Coll: himself, the amount being remitted as assessment on Warar No 809.
